25920 Eden Landing Road
Hayward, CA 94545

Dear Jim,

On behalf of the Butte College Foundation, I wanted to extend our deepest heartfelt thanks for your generous contribution to establish the **Emmett H. Ashley/R.F. MacDonald Co. Endowment**.

This endowment was created in honor of Emmett H. Ashley, who started with your company in 1982, served as the very first boilermaker/pressure vessel repair welder in the company, and was instrumental in developing your quality control program.

Emmett touched the lives of many, including some of our former students by serving as a leader and mentor. Through this welding scholarship, Emmett will continue to make a positive impact in the lives of future welding students. Thank you for dedicating this scholarship to honor Emmett's devotion to your company, his support of the industry, and his persistence in customer service.

The Butte College Foundation greatly appreciates your support in establishing this endowment to benefit student welders for years to come. The gift of a scholarship can change lives!

Thank you for supporting our welding students and the welding program.

Sincerely,

Lisa DeLaby
Butte College
Director of Institutional Advancement

The mission of the Butte College Foundation is to help ensure the academic development and excellence of students through financial and other forms of support; to establish scholarship programs and services that benefit our students; and to constantly evaluate our funding priorities to identify areas critical to our success. Created in 1987, the Butte College Foundation is a 501 (c)(3) non-profit organization.
